Important Allergen Information

All HaleLife Bakery & Bistro products are made in a dedicated facility free from gluten, dairy, egg, soy, peanuts & tree nuts (excluding coconut), animal by-products and artificial sweeteners.

All ingredients are vetted down to the manufacturer for cross contamination for the allergens we state we are free from. Ingredients are sourced only from facilities with strict allergen protocols that are clearly stated on their website or packaging. Products that contain soy lecithin are noted & do not contain soy protein. We are not a corn, sunflower or pea protein free facility. Risk of cross contamination of these allergens is very high due to shared equipment.
